

YOUR FARM, AT WORK.

GROW ORGANIC VEGETABLES AT WORK! JOIN THE RESERVOIR WOODS EAST GARDEN.

Join your co-workers at National Grid and Verizon outside to help **plant, maintain, and harvest** the employee garden at **Reservoir Woods East**. Learn how to grow your own with professional assistance from **Green City Growers** urban farmers. Weekly sessions and tasks geared to all skill levels. No change of clothes necessary! Come to the garden orientation and first education session to learn more about how to get involved.

WHY PARTICIPATE?

- Gain new practical skills you can apply at home
- Re-energize and reduce stress
- Collaborate with coworkers
- Enjoy delicious and fresh organic produce

FIRST GARDEN SESSION

Date: Wednesday, April 10th

Time: 12:00 PM - 1:00 PM

The program will continue **rain or shine every week** on **Wednesdays** from **12:00-1:00pm**. Meet your farmer in the garden!

“It’s a different feeling than touching my keyboard all day, and its nice to get outside and see something green and growing and to battle some bugs instead of my keyboard for a little while.”

- GCG Garden Participant
