

YOUR FARM, AT HOME.

LEARN HOW TO GROW YOUR OWN FOOD AND TAKE HOME ORGANIC PRODUCE AT CHROMA

Join your neighbors outside to help **plant**, **maintain**, and **harvest** fresh organic produce from the tenant garden at **CHROMA**. Learn how to grow your own food with professional assistance from Green City Growers urban farmers- and take home the bounty!

Weekly program sessions are for all skill levels. All Chroma residents are invited to participate!

GARDEN PROGRAM SCHEDULE

**Every other Saturday from
10AM-11AM starting June 20th.**

Rain or shine.

Meet your farmer out at the garden.

Please practice social distancing and wear a mask out at the garden at all times. Program participation will be capped at 10 tenants per session.

WHY PARTICIPATE?

- Re-energize and reduce stress
- Meet your neighbors
- Enjoy fresh organic produce
